- ○ No, only available to work remotely

When could you start? *

Why do you want the job?

* indicates a required field

We think Our Community is a pretty special place to work, not in a "we're better than everywhere else sort of way", but simply that we are guided by strong values and we want to make a genuine difference to Australian society.

The Our Community Manifesto best captures what we are on about.

Tell us about at least two things in the manifesto that stand out to you and why. *

Word count:
No need to go overboard, 50 words should do it.

The position description explains the position we are trying to fill.

Tell us in a few words why you are the right person for this job. *

Word count:
Try to keep this to 50 words or so. We are particularly interested in your experience as a Business Analyst and and passion to drive projects to completion.

Some job-related questions

* indicates a required field

We would like to develop a new feature where users can send emails (in bulk) from SmartyGrants.

What are the high level steps you would take, to get us from 'elevator pitch' to 'ready for development'?

5 steps or 50 words should be about right

How would you support the team of software engineers to build the feature? *

5 questions or 50 words should be about right

How would you ensure that we've built the right thing? *

5 dot points or 50 words should be about right

What have you done previously?

* indicates a required field
